Re: FEMA PW No. 17708 and Related Matters
APPLICANT NAME: State of Louisiana, Facility Planning and Control (FP&C)
FIPS #: 000UXL4N-00
FEMA Disaster #: 1603

Dear FEMA Arbitration Administrator:

Please accept this as our formal Request for Arbitration pursuant to 44 CFR Part 206, subpart G, adding section 206.209. Enclosed with this correspondence is an original and three copies of "Facility Planning and Control, State of Louisiana's Request for Arbitration of Project Worksheet Number 17708 and Related Matters" along with arbitration exhibits submitted in support of this Request for Arbitration. As set forth in the enclosed documents, we are filing this Request for Arbitration in lieu of the existing administrative appeal of the captioned PW and hereby withdraw the pending appeal.

Thank you for your consideration of this Request for Arbitration. If you should have any questions or need any additional information, please do not hesitate to contact this office.

Sincerely,

Jerry W. Jones
Assistant Commissioner
